

Open Access Journals list - Taylor and Francis Group-Updated 28.03.2024, Hrs: 03.30 PM

S.No	Title	Subject Area	Host Area	Open Access Model	WoS Covered	Scopus covered	2022 Impact Factor	2022 Journal Citation Indicator Best Quartile
1	Connection Science	Artificial Intelligence	Physical Sciences and Engineering	Open Access	No	Yes	5.3	Q1
2	New Genetics & Society	Science & Technology Studies	Physical Sciences and Engineering	Open Access	No	Yes	1.8	Q2
3	Applied Mathematics in Science and Engineering	Applied Mathematics	Physical Sciences and Engineering	Open Access	No	Yes	1.3	Q2
4	International Journal of Sustainable Energy	Energy	Physical Sciences and Engineering	Open Access	No	Yes	3.1	Q4
5	Mathematical and Computer Modelling of Dynamical Systems	Applied Mathematics	Physical Sciences and Engineering	Open Access	No	Yes	1.9	Q3
6	Virtual & Physical Prototyping	Design Engineering	Physical Sciences and Engineering	Open Access	No	Yes	10.6	Q1
7	Cogent Engineering	General Engineering	Physical Sciences and Engineering	Open Access	No	Yes	1.9	Q2
8	Research in Mathematics	Mathematics	Physical Sciences and Engineering	Open Access	No	No	1.0	Q2
9	Global Bioethics	Science & Technology Studies	Physical Sciences and Engineering	Open Access	No	Yes		
10	Journal of Asian Architecture and Building Engineering	Civil Structural & Geotechnical Engineering	Physical Sciences and Engineering	Open Access	No	Yes	1.3	Q1
11	Arab Journal of Basic and Applied Sciences	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes		
12	Journal of Asian Ceramic Societies	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	2.3	Q2
13	Advances in Physics: X	Multidisciplinary Physics	Physical Sciences and Engineering	Open Access	No	Yes	6.0	Q2
14	Automatika	Control And Systems Engineering	Physical Sciences and Engineering	Open Access	No	Yes	1.9	Q3

15	Brain-Apparatus Communication: A Journal of Bacomics	Artificial Intelligence	Physical Sciences and Engineering	Open Access		No		
16	International Biomechanics	Biomechanics	Physical Sciences and Engineering	Open Access	No	Yes		
17	Engineering Applications of Computational Fluid Mechanics	Mechanical Engineering	Physical Sciences and Engineering	Open Access	No	Yes	6.1	Q1
18	Computer Methods in Biomechanics and Biomedical Engineering: Imaging & Visualization	Biomechanics	Physical Sciences and Engineering	Open Access Model	No	Yes	1.6	Q4
19	Designed Monomers and Polymers	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	1.6	Q3
20	Egyptian journal of basic and applied sciences	Applied Science	Physical Sciences and Engineering	Open Access	No	Yes		
21	European Journal of Materials	Materials Science	Physical Sciences and Engineering	Open Access	No	No		
22	Functional Diamond	Materials Science	Physical Sciences and Engineering	Open Access		No		
23	Green Chemistry Letters and Reviews	Environmental Chemistry	Physical Sciences and Engineering	Open Access	No	Yes	6.6	Q2
24	HBRC Journal	Civil Structural & Geotechnical Engineering	Physical Sciences and Engineering	Open Access	No	Yes		
25	Heat Treatment and Surface Engineering	Materials Science	Physical Sciences and Engineering	Open Access	No	No		
26	NRIAG Journal of Astronomy and Geophysics	Astrophysics	Physical Sciences and Engineering	Open Access	No	Yes, coverage not current		
27	Journal of Biological Dynamics	Mathematical Biology	Physical Sciences and Engineering	Open Access	No	Yes	2.8	Q2
28	Journal of Chemical Engineering of Japan	Chemical Engineering	Physical Sciences and Engineering	Open Access	Yes	Yes	0.8	Q4
29	Journal of Experimental Nanoscience	Nanoscience & Technology	Physical Sciences and Engineering	Open Access	No	Yes	2.8	Q2

30	Journal of Information Display	Electrical & Electronic Engineering	Physical Sciences and Engineering	Open Access	No	Yes	3.7	Q2
31	Journal of Information and Telecommunication	Information Technology	Physical Sciences and Engineering	Open Access	No	Yes	2.7	Q2
32	Journal of Responsible Innovation	Science & Technology Studies	Physical Sciences and Engineering	Open Access	No	Yes	3.9	Q1
33	Liquid Crystals Today	Chemistry	Physical Sciences and Engineering	Open Access	No	Yes	3.1	Q1
34	Materials Research Letters	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	8.3	Q1
35	Journal of Control Measurement and System Integration	Control And Systems Engineering	Physical Sciences and Engineering	Open Access	No	Yes		
36	Philosophical Magazine: Letters	Condensed Matter	Physical Sciences and Engineering	Open Access	No	Yes	1.2	Q4
37	Production & Manufacturing Research: An Open Access Journal	Manufacturing Engineering	Physical Sciences and Engineering	Open Access	No	Yes	4.1	Q3
38	Journal of International Maritime Safety, Environment Affairs and Shipping	Transport Engineering	Physical Sciences and Engineering	Open Access	No	Yes		
39	International Journal of Smart and Nano Materials	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	3.9	Q2
40	Systems Science & Control Engineering: An Open Access Journal	Control And Systems Engineering	Physical Sciences and Engineering	Open Access	No	Yes	4.1	Q3
41	Science and Technology of Advanced Materials	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	5.5	Q2
42	Sensing Technology	Materials Science	Physical Sciences and Engineering	Open Access				
43	Statistical Theory and Related Fields	Statistics & Probability	Physical Sciences and Engineering	Open Access	No	Yes	0.5	Q4
44	Science and Technology of Avanced Materials: Methods	Materials Science	Physical Sciences and Engineering	Open Access		No		
45	International Journal of Sustainable Engineering	General Engineering	Physical Sciences and Engineering	Open Access	No	Yes	3.7	Q3

46	Tapuya: Latin American Science, Technology and Society	Science & Technology Studies	Physical Sciences and Engineering	Open Access	No	Yes		
47	Journal of Taibah University for Science	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	3.3	Q1
48	Applied Artificial Intelligence	Artificial Intelligence	Physical Sciences and Engineering	Open Access	No	Yes	2.8	Q3
49	AKCE International Journal of Graphs and Combinatorics	Mathematics	Physical Sciences and Engineering	Open Access	No	Yes	1.0	Q3
50	Data Science in Science	Statistics & Probability	Physical Sciences and Engineering	Open Access		No		
51	Journal of Statistics and Data Science Education	Mathematics	Physical Sciences and Engineering	Open Access	No	Yes	1.7	Q2
52	International Journal of Optomechatronics	Mechanical Engineering	Physical Sciences and Engineering	Open Access	No	Yes	5.5	Q1
53	Research in Statistics	Statistics & Probability	Physical Sciences and Engineering	Open Access	No	No		
54	Statistics and Public Policy	Statistics & Probability	Physical Sciences and Engineering	Open Access	No	Yes	1.6	Q2
55	Advanced Manufacturing: Polymer & Composites Science	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes		Items missing from Web of Science Core Collection
56	Materials Technology	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	3.1	Q3
57	Nanocomposites	Materials Science	Physical Sciences and Engineering	Open Access	No	Yes	4.6	Q2
