

Steps to access the IEEE BLP library resources.

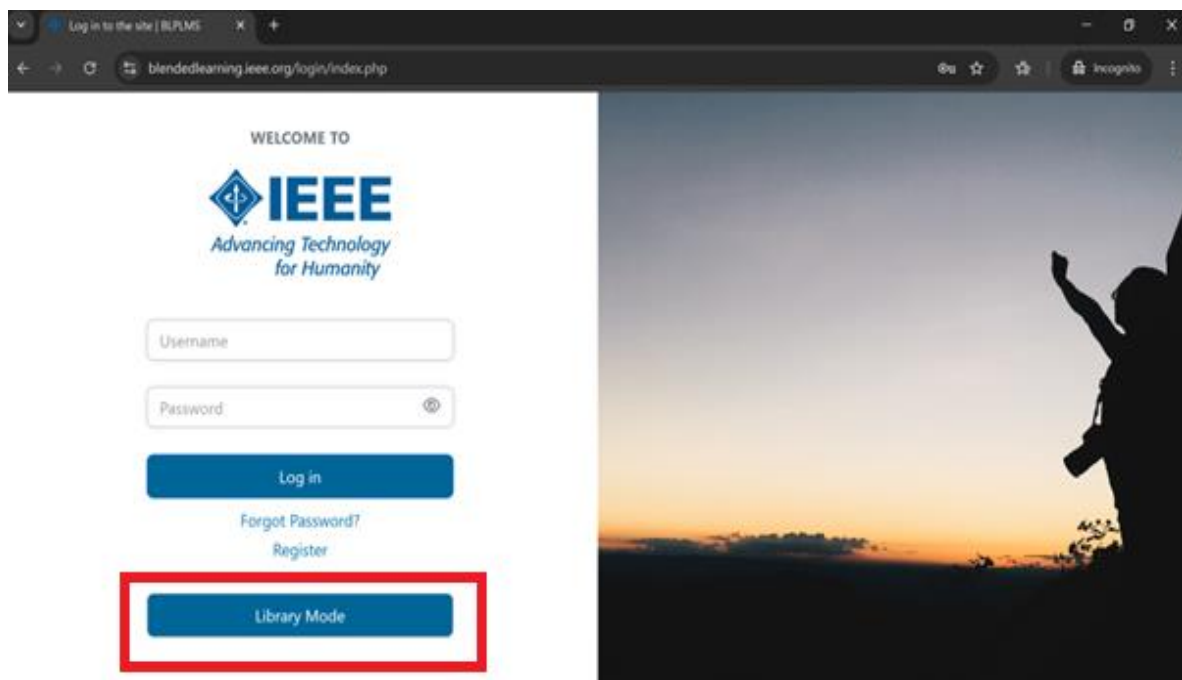

Step 1: Connect to your institute network to be in the IP range

Step 2: Open the URL: <https://blendedlearning.ieee.org/>

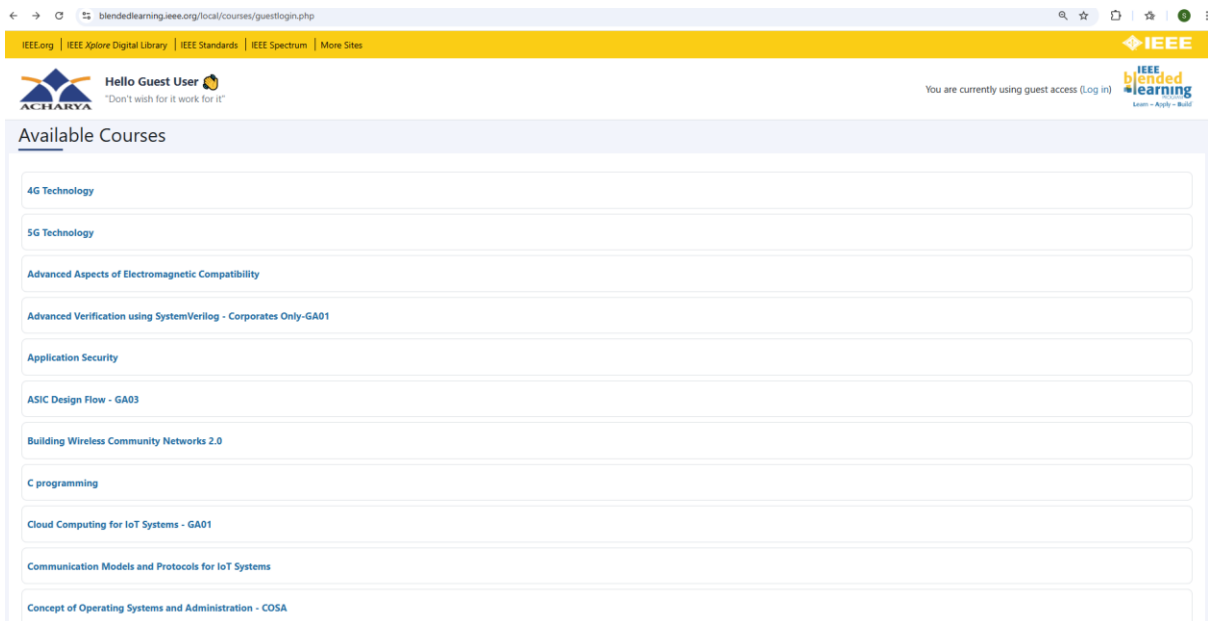

Library Mode Access

Click on Library Mode to access the courses without registering for the platform

(Please note that course progress will not be captured in this mode of learning)

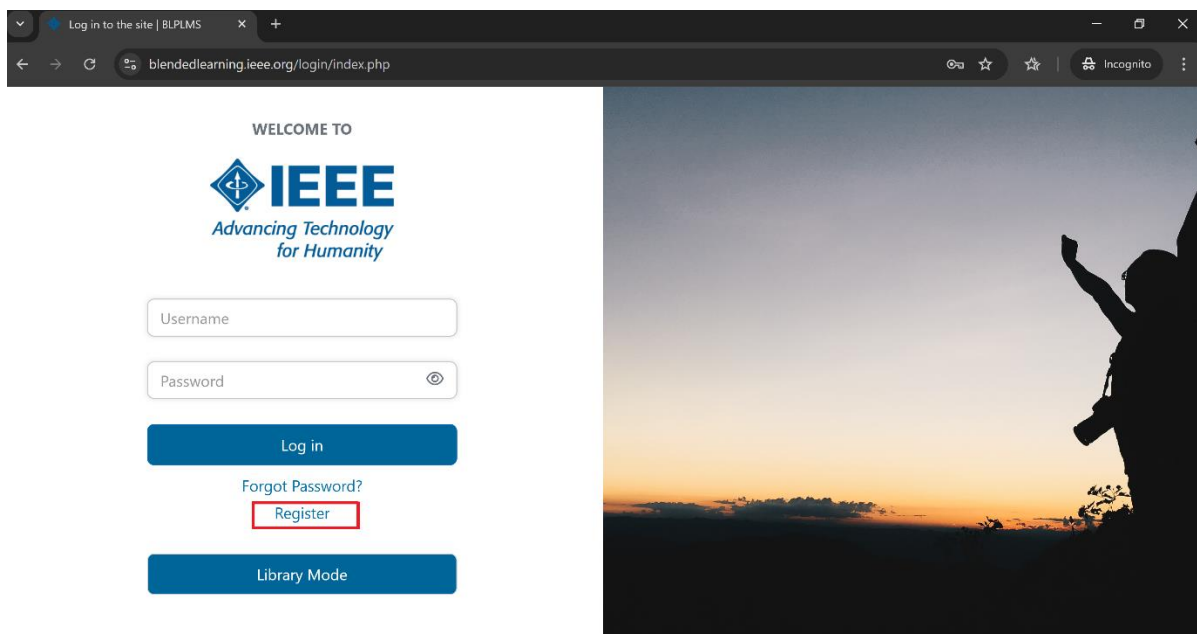

You will see this Screen After you click on Library mode

Follow Steps 10 and 11 to play the course

Step 3: Click on Register to create your account

Step 4: Fill in all the details. The fields marked with a red **asterisk** are mandatory

 Required

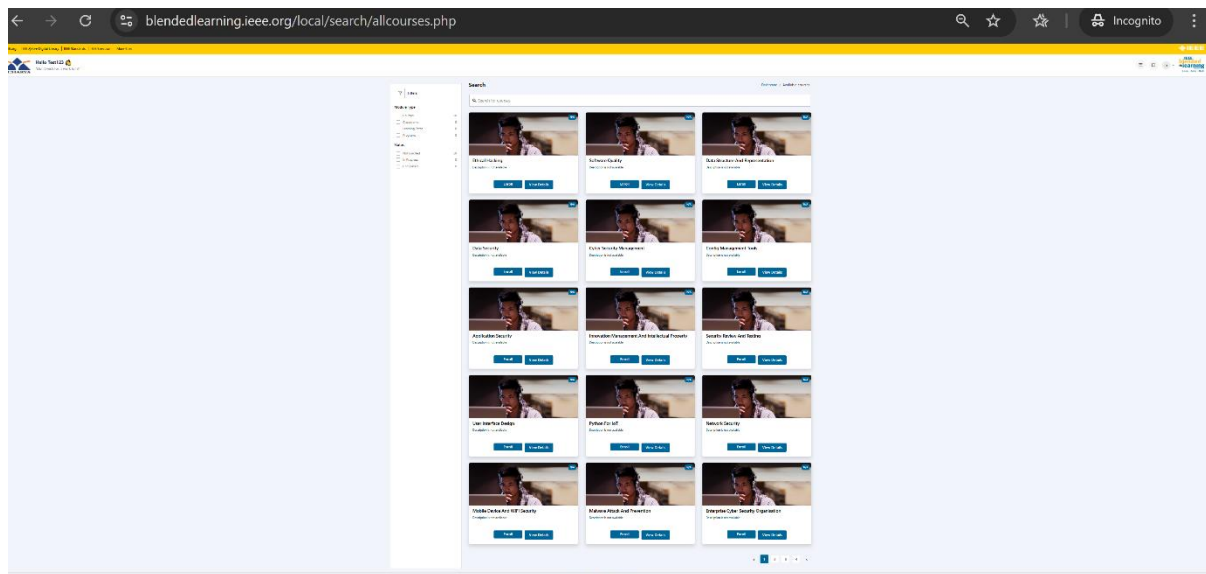

Step 6: Once you log in, you will see the user dashboard.

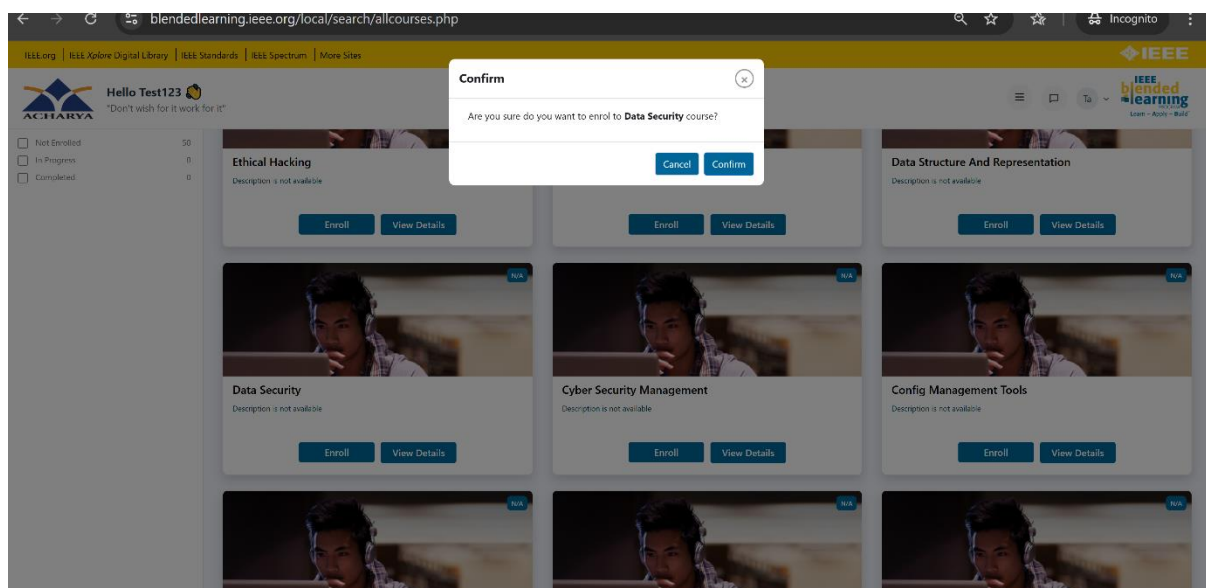

Step 7: Click on , Then Click on Search to search for Courses

Step 8: You will get the course page once you click on Search. Click on Enrol to take any course

Step 9: Once you click on Enrol, The System will ask for confirmation Click On Continue

Step 10: Now the course will be added to your dashboard under the In Progress TAB, and you can start the learning

The screenshot shows a web browser window with the URL `blendedlearning.ieee.org/course/view.php?id=912`. The page header includes the IEEE logo and navigation links. The user is logged in as 'Hello Test123'. The course title 'Data Security' is displayed with a progress bar at 0%. Under the 'General' tab, there are two items: 'Announcements' and 'Data Security-VTU', which is highlighted with a red box.

Step 11. Click on the Course name or the first activity on the page and ENTER to start the video

This screenshot is similar to the previous one, but the user is logged in as 'Hello Guest User'. The course title 'Data Security' is displayed with a progress bar at 0%. Under the 'General' tab, there are two items: 'Announcements' and 'Data Security-VTU', which is highlighted with a red box.
